From the President

We had a great club picnic, the weather was great the food was great the people were great, and we had fun.

Thanks again to all that made it a successful outing. We had some great washer games and some hot tight corn hole games. If one would drop in 2 bags the other would cover them both and put in another for points, it was some of the best games we have had.

We all won, because we kept beating each other. The pics of the picnic were really good.

If you miss this year try and make it next year you will be glad you did.

Call the hotel at 417-334-6500 to make your reservation. Most of the rooms are king, but a couple are two queens and one room is handicap and one is a smoking room. We can get more rooms if needed.

I need to keep track of who is going. Please let me know if you will be going and also when you make your room reservation.

At the next club meeting we can talk more about the details of the trip.

Chattanooga

This is a weekend trip I would like to do this year if we have time and enough interest to do so. As far as I know the club has never been to Chattanooga and they have a world class aquarium that would make the trip worth going.
