Note from TSCC President

As most of you know by now, I announced at the last Club meeting that I would not be seeking re-election for President of Tri State Corvette Club in 2010. I feel the time has come to let other members take over that could do a better job and have some of the enjoyment of heading up the task of President for Tri-State Corvette Club.

This has been a wonderful experience. I have enjoyed it more than words can say. I thank you for giving me the pleasure of being your President for these some years. Let us hope the upcoming President's years will be as fruitful as they have been for me. Tri-State Corvette Club is and will always be near and dear to my heart.

If you came to our TSCC Cruise-in last Saturday night you know how wonderful the cruise-in turned out to be. I would like to thank all the members who came out, a special thanks to the club fund raisers. Special recognition to Bob & Linda Holder, Gary & Ruth Turpin, Marilyn Bean, Colleen Schmidt & Jeff Mauck for all your good help, the club couldn't have done it without your work and support. The support and devotion of this club always amazes me.

Again Thanks!

ALL Corvette Show

One of our good TSCC members took his beautiful Yellow C/5 ZO6 Corvette to Paducah, Ky to the Four Rivers Corvette Club all Corvette car show on September 12th.

Jim Isonhood had some 25 Corvettes in his class but still walked away with a first in this judged Corvette car show. Seems the judges found one little item they felt was incorrect but after talking with factory technicians from the Corvette Plant they found to be wrong and James ended up with a 100% score on his ZO6. What a day that must have been.

Jim is now seeking a spot in the Corvette Museum for his beautiful Corvette. Good luck! Good job Jim.

Susan G. Komen Race for the Cure

What a wonderful day we had at the Race for the Cure with Club Members walking in the race. TSCC would like to invite more club members to walk for the cure next year.

This is a lot of fun and for a great cause.

Somerset, Ky. Trip

TSCC had a wonderful drive down to Somerset, Ky. but after arriving we had nothing but rain. With nothing but rain in the weather forecast the club cut out for home on Saturday morning with "Yes" rain all the way home.

They do seem to have a great program with a lot of cars at the good weather cruise-ins. I would like to see our club go down next year. Hopefully with better weather!
