## **Hello TSCC**

Seems the ball is rolling with the great participation we had at the Huntingburg Car Show this Month. All who attended seem to have a great time, "no snow or rain" after the car show the club went to visit one of those good eating locations in Ireland, IN. The Chicken Place for some of that good old yard bird! Ha! For sure no one went home hungry!

Would like to thank some Club members for their participation in the Murray State Car Show that took place this past weekend in the city of Murray, KY. Dan & Willa Jaquess had his beautiful Grand Sport at the car show as well as Jim Isonhood and his daughter with that beautiful 2001 Yellow ZO6 with only 3,000 miles. Both of these wonderful Corvettes took top honors and made Tri-State Corvette Club look very good. On Saturday at this show some other club members came to check these guys out, Dave Mills, Mark Smith, Dave Hale, Doug Stevens & Phil Fuller. Thanks to these members for showing support to our club members in the car show.

## **Happy Birthday!**

Jim Cruise, Mike Falkenstein, Phil Fuller, Susanne Garrett, John Hartig, Dave Hurt, Leah Kleeman, Linda Vandiver & Bob Bean. Hope you have or had a good one!

### ***Fabulous 427***

Production for the new 2008 Chevrolet Corvette 427 Limited Edition ZO6 is revving at the General Motors Bowling Green Assembly Plant, only a few weeks after the car was announced in February. With a manufacturer's suggested retail price of \$84,195, the limited edition Corvette joins the Indy 500 Pace Car replica as the second limited-production Corvette model introduced for 2008, according to GM.

Only 427 will be offered in the United States and Canada, with 78 more exported outside North America, for a total of 505 production vehicles.

The Corvette pays homage to the "big-block" Stingray Corvette models of the mid-1960s that had 427 engines according to GM. Each vehicle showcases a personal touch- Each hood badge of the 427 is numbered and signed by Wil Cooksey, the former Corvette assembly plant manager.

Besides a Certificate of authenticity, the Corvette 427 ZO6 features a Crystal Red Tint coat exterior – the first ZO6 ever offered with red metallic tint coat paint. Also the Corvette has graphics on the hood and dashboard area that mimic the "stinger" hood design and graphics offered with 1967 models equipped with the 427 engine. The only Option for the 427 model is a navigation system priced at \$1,750.

Do you have yours on order???
