Tri-State Corvette Club Members

This has been one wet and nasty spring for Corvette Club members to get out and run with the cars. Mike Hudson just put a little cruise on April 11th that turned out to be a beautiful day without any rain. Can you believe it? For the past two years warm weather has not come around our part of the woods until the first of May. As most of you know First Friday is on the first Friday of May (May 1st). Let us hope the weather is with us for our first Downtown outing.

New Tri-State Corvette Club Members,

TSCC is honored to have some new members from the wonderful state of Kentucky.

Ken & Devra Matheny Madisonville, Kentucky (Black 2007 ZO6)

David & Ava Cook Providence, Kentucky. (Magnetic Red 2005 Coupe)

Welcome new members to Tri-State Corvette Club.

Corvette Cruise April 11th

Thanks to Mike Hudson for the Corvette run you put together for TSCC on April 11th.

Mike departed from Cracker Barrel in Evansville at 1:pm on Saturday with the sun out and a wonderful day on the back roads of southern Indiana. The twenty Corvettes made a stop in Jasper, IN for some good food and fellowship. Our new club members went with the club on the first outing to check us out and did join the club that same day. Thanks for the day out, Mike, we had a good time.

Huntingburg Car Show

Note from Connie Burgdorf of Huntingburg Car Show,
Hello TSCC,

I'm sorry to tell you this, but no, the car show isn't going to be rescheduled. Twenty-eight cars registered this past Saturday and 19 stayed for judging. We even added as you had ask us to do a "Corvette" category this year to show our appreciation for your members' faithful participation. No Vettes stayed for the judging, so we still have the trophies for next year! ☺ I have to say, if I had tens of thousands of dollars invested in a car, I would not have gotten it out of the garage this past Saturday, so I don't blame anyone for not attending. I also applaud the owners that took a chance and showed up. I hope all of them made it home without incident.

President Bob Bean reported TSCC's Annual Car Show is scheduled for October 3, 2009. The car show site has been secured at the Old Lock and Dam at Newburgh, IN. Bob asked members present, whether they wanted to have a Car Show or a Cruise In. Several members indicated they would prefer to have a Cruise In. Some felt with the poor economy profits from either event would be very low. Several felt the amount of work involved would be less doing a Cruise In. The club has no major sponsor this year. Hopefully the club will still have several smaller sponsors. The budget for trophies would be a lot less than in the past. After some discussion Phil Bernick made the suggestion that Officers and Directors should have a meeting to discuss this issue before the next monthly meeting. Bob Bean will be contacting Officers and Directors to set a time for this meeting.

Half pot of \$50 was won by James Will.

Motion was made and carried to adjourn the meeting.

Next meeting is April 21, 2009.
