From the President

The Club has a lot on its plate for 2006. Our 2006 Car Show cruise-in schedule is heavier than any year in the past. TSCC performance in these programs has been very good and by the number of Corvettes coming out to the cruise-in like the one in Newburgh this past Saturday indicates we are looking for a fun filled year.

Mike Lang has a new cruise and show book out for this year, it is thicker than ever. So if you are looking for something to do, either Mike Lang has it listed in his book or Tri-State Corvette Club has something for you to do. There is no excuse, not to get off your DUFF and have some fun!

Bob Bean

How about a cruise to Patti's?

TSCC will make a spring run on Saturday April 29th to Patti's for some good KY cooking and Sawdust Pie. If you would like to make the run with our Club Please let me know. You can call or email, we will have a sign-up sheet at the next Club meeting on April 18th.

When we get to the Lake we plan on having a little sight seeing trip!

NCM Corvette C5/C6 Bash

If you have on your agenda to take in this Corvette Museum Event here are some things to be looking for. New C/6 Corvette Race Car as well as a new color for next years Corvette. You can also check out this new color on Digitalcorvette.com.

TSCC Rare Corvettes

As I was looking at some of our club Corvette pictures the other day I couldn't help but realize just how many classic, rare and cool Corvettes TSCC has in this club. Just look at Ron Pierson's little 56, Dave Hurts 63, Jeff Maucks Mid-Year, three very sharp Corvettes. If that isn't good enough for you look at the 1996 Grand-Sports we have and all are going to Carlisle this year! Check out the MOD Vettes like Jeff Burden's silver with all the new leather and under the hood goodies. Bob Scales isn't doing too bad with the bad boy on jack stands all winter, this Corvette is on fire with new tires wheels and all the under hood chrome! Chris Durgin has done a lot of work on his sweet little 1969 and look at the 82 collector edition Vettes, and a house full of good looking C/4 Corvettes like Phil Pyle's black six speed. Look around at all the C/5 Corvettes and the C/5 ZO6 Vettes and the one 505 HP of Mikes.

With all of these wonderful Corvettes there is ONE that stands out as the rarest of them all, these Corvettes seem to still be holding prestige as a super Corvette. The one Corvette I'm talking about is Kevin Taber's one of 43 yellow 1995 ZR1 Corvettes and it is one of eleven with tan interior. This baby is one rare Corvette. You can look at some of our club Corvettes and see some of the best of the best Corvettes in the country and not even leave the club.

TSCC Minutes of March 21, 2006

A total of 30 members were present at the meeting.

President, Bob Bean, opened the meeting at 7:00pm.

A Board of Directors meeting preceded the monthly club meeting. Topic of discussion was the club's annual car show to be held on July 15, 2006.

Vice President and car show Chairman, Mike Hudson, reported this year we need to cut back on the expenses of operating the car show. Fewer trophies will be awarded. Eliminating the sponsor's book and finding a less expensive way to do advertising for the sponsors. Sponsors will be listed on the club website for one year, also listed on the back of the car show bulletin which will be circulated at the Car Show and Cruise ins. Bulletins are also put in the goody bags given out at the club car show. The last couple of years, car show attendance has been down so we need to cut back on expenses in order to have enough money in the club treasury to operate the club for the coming year. Mike will have more information at the April meeting.

Motion was made by Kevin Milton and second by Phil Bernick to approve the February minutes as printed in the newsletter.

Treasurer, Marilyn Bean gave the financial report. It was approved as read.

Kevin Milton attended the 12 hours of Sebring Races in Sebring, Fla. Former club member who is now a resident of Sebring received an award in the Celebrity Judged Car Show.

Bob Bean reviewed the February newsletter. He also reviewed the Calendar of Events,

March 18 was the Huntingburg, In Car Show. Twelve club members attended. Jeff Burden won the Best GM award.

The Calendar of Events is always listed in the newsletter for members to review.

Denny Gries is planning a trip on Saturday March 25, 2006 to Leopold, IN. We will be eating at Marcy's. Departing at 1:30 pm from Huck's in Newburgh, IN.

Bob Bean passed out packets of information to club members signed up to go to Branson, MO. departing on Friday June 9, 2006 at 7:00, and return on Monday June 12, 2006.

Mike Hudson is planning a trip to Nashville, TN on Saturday August 26, 2006. This will be an overnight trip. Plans are to do the Nash Trash Tour in the afternoon and the Grand Ole Opry in the evening. Mike has rooms at the Homewood Suites for \$79 a night plus taxes. Mike will email information to those who have signed up to go. Swap Fest at Mid America Motor works in Effingham, IL will be April 1, 2006.

Evansville's Freedom Festival Parade will be June 24, 2006.

The club's annual summer cookout and picnic will be held August 20, 2006. Time and location will be announced later.

Club member Patty Atherton has had surgery, and is now doing much better.

Half-pot of \$35 was won by Phil Pyle.

Motion was made and second to adjourn the meeting.

Next meeting is April 18th, 2006 at the Pizza Chef in Newburgh, IN.
