From the President

Was Easter good to you? Hope you got to share some of those good Easter eggs with your Grand Kids! But most of all I hope you made it to your Church.

The Tri State Corvette Club trip to St. Louis Mike Hudson put together for all the Club Members was a blast. Our Saturday evening at the Dinner Theatre was super, the meal & wine, and the play its self was great. The time spent with all our good club members made the event a memorable one for us all. Before departing St Louis on Sunday Mike had asked Bob Holder to escort the club members to TED DREWES, Bob was most gracious in doing so. As you well know Ted Drewes is a well know Ice Cream shop on the old Route 66. What a nice treat it was to see Ted Drewes and to be on old Route 66 again!

Tri-State Corvette Club hopes you have had or will have a wonderful Birthday.

TSCC Bell Oaks Car Show

Keep in mind Mike Hudson will need all your help this year with our car show.

In looking at the new Mike Lang Book I see thirteen other Car Shows and Cruise-Ins for that date. Looks like we will have our work cut out for us! With our TSCC Show being at Bell Oaks it will be a challenge having Tri-State Arrowhead Car Show right across the street in the Apple Center. They always draw a large crowd as you well know. We will need the help of all to make this Show of ours a success.

Car Show book

The Club now has the Mike Lang 2007 Show & Cruise Books, if you would like one check with Bob Bean, they are again only \$10.00 this year.

Huntingburg Car Show

Even though the awards went to those beautiful Fords this year it was a lot of fun to be out in the hunt with all the cars for the first show of this year. Our Club came out in force with around twenty of those beautiful plastic machines lining the streets of Huntingburg.

Thanks to all who came out. After the show Ken Norris set up dinner for the club at Shamrock Restaurant. Very good choice Ken, we did enjoy!

You can look in our club web site for pictures of the event. Sure hope you can join the club next year for this first of the year event.

The club did get a very nice thank you letter for bringing the club Corvettes to the Huntingburg show.

Some day Jeff hopes to have a 1969 & a 98 Pace Car with his cool 2004 C/5 he now owns as of April 2006. Check out his license plate that reads Lil RED C.

At this time Jeff is building a super cool climate controlled 64 x 40 – 12 car garage and shop with a wash bay and car lift. You **know** it will have a Corvette and Harley theme, he said it should be done in May.

Jeff would like to thank every one he has met from TSCC for being so nice. He is looking forward to meeting more members at club outings this year.
