From the President

Just sitting here checking my computer, with the Weather Bug Program on and it stating the temperature a cool 101 in our fair town of Newburgh, IN.

Hoping the rest of you joy the good old DOG DAYS of summer just as I am!!!

Boy, have we had a lot going on this month with the TSCC July 28th Cruise-in at Sonic in Newburgh, IN. Didn't Mike Hudson do a super neat job with his first club cruise-in for TSCC! At the last count we had some 58 cars at the cruise-in, not counting our beautiful club Corvettes that came out to support Mike and the club. Club member Larry Farmer even had a surprise Birthday party for his lovely wife Cindy. Larry put on the DOG, with cake and ice cream for TSCC Members. Happy Birthday Miss Cindy from your TSCC Members, oh yea, what a cool stretch limo.

Back to the TSCC cruise-in, I was very happy to hear some of the very nice remarks made from the folks who drove cars & trucks to the club cruise-in. They asked if we are going to do this again next year, "looks like we will!"

First Friday August 3rd was a blow out again, what a large group of car lovers with the weather being as warm as it was. What can one say, it is summer and that sure beats winter with zero degree temps!

If you made the St. Louis Baseball game, well I have heard nothing but good times were had by all. Thanks Dave Hurt for taking the time to put this wonderful trip together for TSCC Members to enjoy.

We did miss all members that could not attend the July meeting, and hope you can join us in August.

TRI-STATE CORVETTE CLUB PHOTO DAY **THIS is very important for all Club Members.**

August 19th "Sunday" TSCC will take pictures of Tri-State Corvette Club Corvettes with club members along side his or her Corvettes. Bill Rittichier will be doing the Photo work. We also have a crane supplied by Buck's Crane Service coming with a basket to lift Bill in the air so as to get a high in the sky picture. We hope to line your Corvettes up for a side view, this way the cars will be more visible in the picture. The club needs your help in the endeavor, if you don't show up then needless to say your Corvette will not be in the club photo. Our club will use these pictures to promote our club in some National Magazines. TSCC will also have one picture framed to display at our Club meeting location. If you would like to have one of these pictures they will be available for you. Bill will also after the club picture is taken do individual members Corvette pictures. This is a program Bill is offering to each club member.

THIS is your Corvette Club so be involved with what we are doing for you.

PICTURE location is on outer Lincoln just West of 164 By-Pass on the South side of the road, we will have club members posted at this location to help you on the grounds. Also a club member will be at the Cracker Barrel Restaurant at 2:30 p. m. to lead you over to the picture location should you not know how to there. We do need to start lining your Corvettes up for the picture at 3:00 P.M. so we can be ready at 4:00 P.M. to do the picture. It will take an hour to line all the cars so don't be late! You may want to bring your chair, the club will have some drinks for you.
