Tri-State Corvette Club Members

As most of you know the ICE & SNOW we just lived with for the past three weeks came fast and went fast. Feel sure some in Kentucky feel it didn't go quick enough for them. Just made a run down to Kentucky Lake today and couldn't believe the trees down along the highways with a lot of trees still on the roadways. Our club members in Madisonville had a rough life with no electric and some with no water for a period of three weeks. Was talking with two folks who have no home to live in and don't know if they will ever have one again. Lost my power two times for a total period of twelve hours, felt I was lucky after seeing the country down south. Hope all our club members that haven't power will get it back on soon.

Happy Birthday!

Happy Birthday for the month of February for the following members: Marilyn Bean, Larry Farmer, Jerry Garrett, Janet Hale, Mike Hudson, Gary Kruger, Jim Mastison, Hugh Miller, Craig Moore, Colleen Schmidt, Gary Turpin.

TSCC hopes you have or will have a very Happy Birthday!

A Saturday night road trip

Some club members ask if the club had a road trip set for club members anyway soon, if we don't we will try and get one together. Two Saturday nights ago the club set up a evening out of the run, it didn't work out very well. With all the snow and ice we only had three couples to make the trip. For those three couples making the outing, we did have a great time. Thanks to Gary & Pat Kruger, Dan & Willa Jaquess for running with us to a wonderful restaurant for a great meal. We will do it again soon!
PS Thanks Gary & Pat for your wonderful hospitality!

1966 Corvette

Have you had a chance to check out the beautiful 1966 Corvette Saint Bernard Church Is offering this year! Big Block Turbo-Jet 427-425 hp Corvette. Not a lot of these Corvettes around in this color with this big block H.P.

I'm not pushing this for them but it is a very nice Corvette!

Tri-State Food Bank, Inc.

TSCC got a very nice letter from the Food Bank folks for the generous Christmas Donation the club gave for 2008.

Thanks TSCC members for your generosity!

GOOD INFORMATION

Made a trip to Indianapolis, IN last week to look at some dream items (like car lifts & other items) the location I were checking out was a dream equipment store for sure. The name of this store is Greg Smith Equipment Sales. They have items like car lifts, sandblasting cabinets, toolboxes & garage organizer systems you wouldn't believe. If you can dream it up, they have. The nice thing about this shop the prices are not bad at all.

I will bring some 2009 buying guides to the next club meeting that you can look at.

They also have a very nice website you can go to www.GregSmithEquipment.com check it out.

Mike Hudson trips

Mike will put together a couple of trips for our club, one in May and one in June. Keep a look out, keep a check on the Club Newsletter for more information about these trips.

Tim and Amy Seib had their three week old baby girl Izabella at the meeting.

The January birthdays were recognized.

Motion was made by Denny Gries and seconded by Steve McDaniel to approve the minutes as printed in the newsletter.

The newsletter was reviewed.

Bob Bean spoke about the planned trip to the southeast late in the summer. The date is September 5-13. The planned itinerary is: Asheville, NC, Charleston, SC, Savannah, GA, St. Augustine, FL, and then on to Destin, FL. At the February meeting Bob will need to know how many members plan to participate so he can get the lodging set up. More information later.

There was a Board of Directors Meeting prior to the monthly meeting.

The Car Show and Cruise In was the topic of discussion. There is the possibility that LAW Chevrolet in Boonville, IN could be the location for the event. It is also possible they could sponsor the event.

The amount they would donate is at this time unknown. The board also discussed changing the time of the show to October. More information later.

Bob Bean will be making a list of possible future events and trips for the upcoming year. Some of the locations could be; Gatlinburg, TN, Springfield, IL., Somerset, KY., the state of Texas, just to name a few.
