From the President

TSCC members, what a wonderful year 2006 has been, with over 100 Corvette Club Members strong. We as a Corvette club have participated in a lot of Corvette Club activities in the past year of 2006. What fun it has been for me & I hope for you as well! TSCC is a very strong club with members who are willing to jump in and be involved to make this club a bigger and better club for all to enjoy.

Personally I would like to thank our outgoing 2006 Officers & Directors for their participation and full involvement this year. With members stepping up to volunteer for jobs in our club like they do, just shows me how much we all love to see our club grow. From the bottom of my heart thank you for your generosity.

Bob Bean

Welcome new TSCC Members

Michael & Cindy Morris of Vincennes, IN.. These folks have two very nice Corvettes, 1993 40th Ruby Red Anniversary plus a 1975 Dark Red String Ray.

TSCC would like to extend a warm welcome to the both of you. If you should have any questions please feel free to call or email any one on the club roster for help.

TSCC Club Roster

Seems a lot of our members call and ask for email address and phone numbers of club members. Mr. Charlie Wright works very hard to keep up the Club Roster for our use.

We have up to date Rosters at the Club Meetings or I will be very happy to email you one if you should like. The roster is done with a lot of precision & hard work to benefit you and all the club members. Ask for one!

Reminder

The password for the members' only area of our website is aMptrVLK. It is case sensitive, so type it exactly as shown.

We did miss all members that could not attend the November meeting, and hope you can join us in January.

TSCC Christmas Party

The Tri-State Corvette Club Party was a blast this year. We had a record number of members attending. As always, Mike Hudson did a super job of putting the program together again this year. Mark Smith did his first class job with door prizes for the club membership & Mel Dexter hosted the door prizes and the gift exchange program with class, as usual. A big thanks goes out to Hugh Miller for the use of his P. A. system. What a great help that was.

Hope to see all of you again next Christmas!

New Years Day Cruise

Monday January 1st happens to be the day Tri-State Corvette Club took to the roads with some thirty nine beautiful rainbow of colors, cruising down the Indiana Highways and causing metal cars to pull off the roads just to absorb the gorgeous flow of magnificent plastic on the roads for the day. It was a cool run to a cool majestic Hotel for a marvelous brunch. Our destination to the beautiful French Lick Hotel could only have been better with some wonderful sunshine!!!! Thanks TSCC for starting the year 2007 in a great way.

TSCC Birthdays for January

2007 TSCC Car Show

Kelly's Chevrolet (NOTE THE NEW NAME, IT'S NOT KELLY'S NORTHSIDE CHEVROLET ANYMORE) will be back with us to sponsor our car show. This year the show will be on July 21, which is the third Saturday of July. We need sponsors to make this show a success so please start now to get commitments for sponsorships so I can list them on the show flyers. This show has been a success because of the number of club members who will do what is needed to do before the show and on the day of the show. If you have any comments or advice for me and the car show committee, please phone 812-457-0304 or e-mail me at mhkirbys1@aol.com **before the show.**

Thanks,
Mike Hudson

Don't Miss the last Stingray

Barrett Jackson will air their yearly TV Car Auction on January 16, 2007. As I know and feel most of you will be watching as Barrett Jackson will sell the LAST Built 1967 Corvette String Ray on January 20th. The neat story about the restoration of this 427 C. I. Corvette has been aired on Speed Channel more than once. Check out the story on this super powerful 427 Corvette, quite a story!

Some numbers on 1967 Corvettes;
Vehicle I. D. number: The last 1967 427-194377S122940.
"By the book"
Built Date: July 1967, 122940.
Corvette built thirteen H. P. configurations of the 427 C. I. Engine in 1967.
H. P. options ranging from 390 H.P. to 435 H. P.
They also had 327 C. I. Engines with 300 to 350 H. P.
For me this is the Hi-light of TV for the year, but again I'm a Corvette NUT!!! YEP! That's me.
