New Years Day 2010 January 1st

We met at Our Normal meeting place Cracker Barrel

23 Corvettes' with a couple steel, we let them follow We had 49 total some guess, it was a great day for a Cruise.

After we had a Great Lunch, some went back by French Lick, some went back I 64 and some went Hwy 66

All made it home OK. In 1995 Butch Montgomery came up with the idea to start the New Year out each year with a Cruise to some place and have lunch and visit with Members of OUR TSCC.

I continued doing this after Butch stepped down and Bob continued it after I stepped down, now it was back to me since Bob has stepped down.

I would like some input into 2010 for the Cruises we have been to most that are with in 2 1/2 - 3 hrs

Thanks Mike for the Great Pictures that you took and put on your Web Site for all to share.

I know one thing, you can tell who your friends are, by when you leave them after spending time with them you feel good about yourself.

The best thing is making someone feel good that they have spent some time with you and they feel good.

May 2010 bring many good friends to you and yours.

Club History

TSCC was started in 1973 by Corvette Enthusiasts and became Official in 1974. The Club met at Cooke Chevrolet, one of the original members was Jerry Garrett. Phil Fuller and Kevin Milton joined in November 74. Colleen Schmidt joined in 76 and served as Secretary. Chris Milton Joined in the 80's.

The Club Joined the NCCC and Kevin became governor, Phil served for 8 yrs as president. Later Kenny Kent became Club Sponsor.

The Club really grew in the 90's we had several new members that joined and made the club grow. I recall the first TSCC Car Show at Bell Oaks in 1991 Bill King was President it was an all Corvette Show. The Club had a great turn out. I have VCR tape that was made at the show with 50's music being played, and some great Vettes.

In 1994 Gene Brown became President, 1995 Butch Montgomery, 1999 Dave Hurt , 2003 Bob Bean, the Club has its largest membership the last 4years, good job Bob.

In 1995 North Side Chevrolet with Bob Holder and others doing business with them got them to sponsor our club. We had some great cruise ins at Northside over the years. Mike Hudson has some pictures he picked up when they were closing up Kelly's Northside Chevrolet that he may donate a copy so we can put on our wall at our meeting place since, 1996 Pizza Chef. Charlie the owner that we contacted to see if we could have our meeting at a regular place and a set time and day. Now Jeff is owner he has let us hang our TSCC Club Banner on the wall so all members can sign and put down the date they joined the club.

Thanks to all that kept this Club going so we can enjoy meeting new friends and having fun with all Corvette Enthusiasts.

Let's Talk Road Trips

First I would like to thank everyone for your support and for electing me to V.P. again this year. Now let's talk road trips.

It's only January but it's time to start planning for some road trips for the New Year. At the January meeting we can vote on what road trips to do. If you have any ideas for a Saturday day trip or a weekend overnight trip let me know and I will help organize the trip with you. Some of the possible overnight trips I have in mind would be to Branson, MO, Saint Louis, MO, Nashville, TN, and Gatlinburg, TN. We will have the second annual Ladies' Drive to Dine again this year, time and location TBD. We will also have the second annual Gary Kruger Memorial Ice Cream Run sometime this summer. Dave Hurt will be planning a day trip to Cave in Rock, IL this summer. We will try to have at least one day trip per month after the weather warms up. After all we have to eat! Thinking of new places to go is hard and that's where we need your help in coming up with some new ideas. So put on your thinking caps and help me come up with some new and fresh places to go.

TSCC New Years Day trip

Thanks to all that made the New Years Day Run another success. We had 48 members and a couple guests. It was a wonderful day for a Cruise up HWY 62.

A tip on going 62: the convenient stores do not have great restrooms ONE for ALL , and you may find your self going around in a circle. Not to say the leader was mixed up on his directions, his spouse let him know. I didn't need any help on the CB. We made it, took us 1/2 hour but we had time.

The food was good but the fellowship was most of all Great. We had some that could not go for one reason or another. We hope all that were not able to go had a great time in what ever they were doing, on the 1st day of 2010.

This New Years Day Outing was started by Butch Montgomery in 1995 and has been a great way to start out the New Year.

Think of some place that we haven't been for 2011?

TSCC and NCCC

Greetings from your NCCC Governor. I'm sure some of you don't really know what it is that I do. But in a nutshell I'm your representative to a national organization of clubs across the United States. The Tri State Corvette Club has been a member club of the National Council of Corvette Clubs almost since its inception back in 1974. The National organization is broken down into regions and we are a member of the Indiana Region. There are 18 clubs in the Indiana Region and the nearest club to us is probably the South Central Corvette Club in Greenwood. All the clubs in the region share their activity information through the network of Governors and through the Indiana Region web site that can be found at <http://www.indianaregion.com>

I encourage you to go to the website at any time and check out the schedule of events. I guess this would be a good time to mention the national NCCC web site is <http://www.corvettesnccc.org> It is there that you can find information about the National convention that is held every year and many other things about our organization. I want to promote the first event that is going to happen on April 25th and is being put on by the Hoosier Corvette Club in Indianapolis. This event has been happening every year for several years and is a very nice event held at Skilman Chevrolet. I don't have a flyer for the event yet but if anyone is interested get in contact with me or use the Indiana Region website. Another good event is the Brown County weekend held on October 2nd and 3rd. The reason I mention this now is I would like to see some of the club members go to this this year and the weekends in October fill up quickly with activities. Phil Fuller and myself have been talking about getting some people together for a road trip to Brown County this year because we have not done it for many years. This weekend event is put on by the Indiana Region and is free for all Indiana Region members. It is the perfect time of year for a drive to Brown County. Well I got to go. See you at the meeting.
