## From the President

Hey Tri-State Corvette Club members, it is another month of winter in back of us and spring is around the corner, how wonderful!

As you well know March is the breakout for all car lovers. I have been having car people all over the country calling about show and car cruise-ins. Do not forget the start of the season will be Huntingburg car show March 31<sup>st</sup>.

The weekend 3/15-16-17 will be Knoxville Corvette Expo. **DON'T** miss it, this will be the very last show at the old show grounds in Knoxville, TN.

Mike Hudson is on top of our July 21, TSCC Car Show for this year with our show flyer out for your inspection and use. He is working hard to bring you an incredible car show.

Don't forget to keep an eye on the website and the club News Letter for updates of programs for this year.

Some of our club members are asking if we are going to make a run to Patties at the Lake this spring for some of that good Kentucky home cooking! If you would like to make the run let me know by email or at the Club meeting, will see if we can set it up!

Another item on the upcoming list will be the Evansville Freedom Festival, June 28 – July 4<sup>th</sup>. These folks usually ask our Club to take part in their Parade, so keep this in mind!

Also the good folks in Newburgh would like us to drive the cool Vettes in the Newburgh Parade again this year. Date & time coming later!

Bob Bean

### CLUB MEMBER OF THE MONTH

John & Donna Hartig have been good club members of the Tri-State Corvette Club for as long as I can remember. John & Donna have three sons, that's right, no sissy girls in this house! The Hartig family has a new home @ 5921 Laurel Ridge DR. Newburgh, IN. and loving ever moment of it. John and I were talking about Corvettes the other day (Can you believe talking about cars). Seems John loves Corvettes as much as the rest of us if not more, with owning some twenty Corvettes in his career of collecting the plastic.

As you can see in these pictures John has one beautiful Yellow 2007 C/6 Convertible. Now this Corvette has almost 2,000 miles ( that is right 2,000 miles) on it.

You need to keep an eye on John because that is a lot of miles for him, he may see the need to upgrade at any time.

John and Donna it sure is good to have good people like you two with this Corvette Club.
