Is this one for you garage? If it is, let me know I would love to put some pictures of your Corvette and garage in the club web. Ha If you like it or don't it looks to be the Corvette we will be driving. G. M. seems to be trying to get a little of each C/ Class 1 – 6 in the looks of this Corvette. I personally can live with about any Corvette but this one needs some rear end change, please help us!!!! Ha Believe Phil Bernick will be the first in line for this Bad Boy.

Tri-State Corvette Club Member of the Month

Daryl W. Dassel is a member of TSCC who drives a cool C/5 Corvette with the top down any time I have seen him out.

Daryl & his wife Susie have been married 39 years this past January 24th. (Didn't know Daryl was that OLD-ha). Susie graduated from North High School and Daryl from Memorial High School. Susie was a blind date that ended up a date forever, what a blind date that was. They have two sons Wayne (Valarie) and Eric (Amy) that are married and are living in Evansville and Wadesville. Daryl & Susie have four grandchildren – two boys and two girls.

Daryl graduated from ISUE in 1973 after getting back from Vietnam. He is a CPA and partner in the Accounting Firm of Clem, Dassel & Co. located in Poseyville, In. page0“The Firm works with Corporations and Individuals.”

Daryl has a beautiful 2004 triple black convertible with a sweet six speed that he truly loves to drive on the weekends. He traded in a 1988 white convertible he bought in 1998 and the 2004 in 2007. Daryl also loves to play a little golf when he isn't working.

Daryl, TSCC is very happy to have you and Susie with the Corvette Club. You're your running with us a long time.

TSCC Minutes of February 17, 2009

There were 32 members and 1 guest for a total of 33 present.

The meeting was called to order and presided over by President Bob Bean. Bob welcomed everyone present.

Congratulations to Mark Smith and Arrinda Pollock. Mark and Arrinda were married on Valentine's Day February 14.

Vice President Mike Hudson reported he is planning a mystery road trip sometime in April. Mike is also planning a Dinner Theater weekend trip (location possibly Indianapolis) in late June or early July. He will have more details later.

Motion was made and seconded to approve the January minutes as printed in the newsletter.

Treasurer Marylin Bean gave the financial report. It was approved as read.

The newsletter was reviewed. February Birthdays were recognized.

Upcoming events were reviewed.

Huntingburg, IN Car Show March 28, 2009. Info at the next meeting.

Shrine Car Show Downtown Evansville, IN. May 16, 2009 Mike Hudson's Dinner Theater Weekend Trip. More info later.

Somerset, KY trip. Date not known at this time.

September 5-13 Club Vacation Trip

National Corvette Museum 2009 Caravan September 3-5. Info was passed around.

Mid-America Funfest September 25-27, 2009.

Mike Hudson reported on the Club's Car Show and Cruise In. Date is October 3, 2009 at the Old Lock and Dam in Downtown Newburgh, IN.

Registration is from 8:am til 12:pm, awards presented at 3:pm. As of now the club has no major sponsor. The club will have to cut and watch expenses closely. A small profit is expected due to the state of the economy. Mike and Bob will have more information later.

President Bob Bean felt it necessary to address the FALSE rumors circulating about TSCC not rejoining NCCC in November. Bob explained that numerous club members have asked him what benefit NCCC is to TSCC. Because of these inquiries this topic was discussed at the January 20, 2009 Board of Directors Meeting. No action of any kind was taken by the Board. TSCC pays approximately \$2000 to \$2400 every year in NCCC dues. There is talk by NCCC of an increase in the yearly dues. The main benefit of being an NCCC member is the insurance for the club. In order for the insurance to be effective all club events need to be printed in the club's newsletter prior to the date of the event.

NCCC Governor Kevin Milton said NCCC is an asset for the club and money should not be an issue. Kevin suggested the club should restructure their finances to allow for the expense of the dues.

Dan Jaquess made the suggestion that the Blue Bars magazine published by NCCC should try to include more social events as well as the racing and autocross features.

Half pot of \$38 was won by Tim Seib.

Motion was made and seconded to adjourn the meeting.

Next meeting is March 17, 2009
