From the President

Welcome everyone to the world of rain. Seems all we have had this Spring is rain and more rain. TSCC members were looking forward to getting out for the First Friday in May. But as you well know First Friday was "YEP" rained out.

Just thank how wonderful the June First Friday will be, (can't wait). If you remember last year we had the same program, the first Friday in May was a rain out as well. A lot of Club members have been calling asking if Downtown Evansville would have a rain date for the May First Friday, **NO**, sorry to say we will just have to wait until June 6th for our fun on Main Street. Sure hope to see all of you out that night!

Welcome New Members!

Jeff Stahl of Chandler, IN. Jeff has a 1986 Convertible Pace Car edition.

Jesse Billings of Petersburg, IN. Jesse drives a beautiful 1996 Grand Sport & a 1981 coupe.

Jim & his wife Joanne Will of Evansville, IN. Jim & Joanne drive a beautiful 2000 Yellow Coupe.

Let me say for TSCC & myself, **WELCOME** to your Corvette Club. We hope we live up to what you expect of a Corvette Club.

Happy Birthday!

Gina Adams, Phil Bernick, Bill Bruner, Dan Jaquess, Phil Kines, Arrinda Pollock, Kathie Shipley, Jeff Stahl, Ruth Turpin and Stephen Vandiver.

Hope you have or had a good one!

Happy Birthday TSCC!

Can you believe Tri-State Corvette Club was 34 years old on May 12, 2008. And by the way, May 12th was Mothers Day in 1974. Jerry Garrett said he didn't know it was going to be Mothers Day until he had passed out all the flyers he had made up. Thank you Jerry for getting this Corvette Club up and running.

Awards!

Dan Jaquess received one of the top 100.

Had an excellent time at the Museum Friday. Messy driving down and had to do some extra cleaning. Dan Jaquess did receive a Celebrity Choice and Peoples Choice since there was no real judging. Very small group at the Gathering this year [126 cars registered] Good chance it may not be next year if it doesn't grow a little.

Special Announcement!

Over 220 plus cars at the Owensboro Car Show. They awarded the top 100 and then the top 20 and our own

Jeff Burden took top honors.
Congratulations to Jeff.

Nashville TN cruise

A word about the wonderful Nashville, TN trip Mike Hudson put together for our club.

TSCC Members April 19th departed Cracker Barrel Restaurant in Evansville, IN for Nashville, TN. looking for another wonderful weekend of Corvette fun. We had some eleven Corvettes and one metal on the road to Madisonville where we picked up three more Corvettes making a total of fifteen cars in the caravan. We made our first stop in Nashville (other than potty breaks) at the General Jackson for a little river cruise, how cool that was, if only I had a fishing pole. After the cool Boat ride we went to the Opry to see some of the Country Stars of the day. Thanks Mike for your hard work putting this program together for TSCC Members, it was a very cool trip.

Members on the trip; Mike & Ruth Hudson, Jeff & Kathy Burden, Tom & Debbie Borries, Lyndell & Lois Gears, Gary & Ruthie Turpin, Mark & Arrinda, Phil & Glenda Fuller, Phil's Daughter & Husband, Kenny & Devra Matheny, Steve & Shari Bruce, Colleen Schmidt & friend, Bob & Betty Effland, Bob & Marylin Bean, thanks to all who made this trip so enjoyable.

Corvette Club Member:

As most of the club knows, member Mark Smith has been into Corvettes for as long as most of us can remember. Mark has been a member of TSCC for well,.... a very long time. Seems Mark took his little RED 1997 Corvette out for some exercise, but did not bring the baby home ever again. It ended up totaled after a young lady ran into the side of it. Mark seemed to be in a state of depression without a Corvette in the garage. Mark & Arrinda went on the look for a (if you know Mark Smith) very special Corvette with very low miles and one that would turn heads. Guess what, they found that Corvette, a 2000 coupe with only 14,500 miles on the odometer and with beautiful Nassau Blue paint. Now this may be a very new Corvette for some people but not for Mark, **not** until he puts his special Mark Smith detail work on the little blue baby. No one has seen this Corvette but let me tell you it will be a first class Corvette with no blemishes when TSCC gets to view it.

A good hunt will render a fine ride, good work Mark
