Tri-State Corvette Club Members

Hello Tri-State Corvette Club Members. Isn't it wonderful with all the rain we are having this Month. Now doesn't that sound like a broken record?

Yes, we have all been looking for that wonderful sunshine, maybe we get a little sun for one or two days and the rain starts all over again.

Even with the rain we have had a couple of trips that worked out for us. Tim and Amy Seib did a run for the club on May 3rd to the Azalea Path North of Evansville. Let me tell you it was a BIG surprise for all that made this run. The beauty of this location was second to none. It would be nice if Tim & Amy would do this again next year.

Phil Fuller did a run for some member on April 28th to Tunica, MS to visit the Grand Casino and I do believe all members came home with a lot of money. That always makes any trip a lot sweeter.
