From the President

TSCC would like to welcome two new members to Tri-State Corvette Club, Jeff Meeks and Wayne Grove. Jeff has a beautiful red 2004 coupe and Wayne drives a one of a kind 1988 red C/4 Convertible. Tri-State Corvette Club would like to extend our warmest welcome to these new Corvette club members. If in any way TSCC can be of any help to you please feel free to call or email at any time.

Bob Bean

TSCC Hayride

TSCC would like to extend to Denny Gries another very large thank you for his hospitality when hosting the hayride again this year. Denny invited the Club to his farm for the annual Corvette hayride again this year and it was a super time. TSCC had a very large turnout of members even with the hayride being so late in the year. Also thanks to Jeff Mauck for all his up to dates on the country smells as we journeyed along the way. Ha !!!!!

The club was also happy to see Jeff and Lisa for their first outing with the club. Hope you had a good time!

As you know at the end of the year we as a club always have some members who just for some reason or other feel they will not rejoin the club. Some time it is because of time with the kids or maybe a car club is just not for them. But to begin the 2007 year with 93 members is something for this club to be proud of. It takes a good strong team to make a club work as well as this one does. To start 2007 with this large membership is just wonderful, thanks for all your hard work in doing all you do!

Remember, as club officers, our duty, as men and women are to proceed as if limits to our ability do not exist!

Reminder

The password for the members' only area of our website is aMptrVLK. It is case sensitive, so type it exactly as shown.

We did miss all members that could not attend the October meeting, and hope you can join us in November.

Museum Bricks

As you know Mike Hudson is our club ambassador to the one and only Corvette Museum. As the ambassador he and all our club officers would love to see our 93 members have a brick with your name and the year of your Corvette on one of those bricks. At the large club brick on the sidewalk in front of our Corvette Museum you could have a brick installed that would show the love for your Vette. This could make a very nice Christmas gift to your husband or wife. Cost of the brick is only \$100.00 for a Museum Member. Mike has forms if you are interested.

Gatlinburg Trip

On the TSCC trip to Gatlinburg one of our club members had to lie to his wife from time to time about his where abouts, ha! Not that he had ever done this before! Didn't know if it was because he just couldn't live without her or he didn't want her to know he was going to run the Dragon. As the rest of our crew did the Dragon in style some ended up with a woozie tummy! For the ones who didn't make this trip you sure missed out on some beautiful scenery with all the fall leaves hit it just right, it couldn't have been any more gorgeous. Thanks to the ones that made this cool Vette run.

TSCC Birthdays for November & December

November: Steve Bruce, Kim Fillingim, David Hale, Ken Norris, Mary Pyle, Curtis Smith, Tom Williams & Jesse Winger.

December: George Coombs, Denny Gries, Mike Hudson11, Janet Leggett, Mike Maffenbeier, Jeff Meeks & Darren Miller.

Hope you have (or had) a good one!

Thumper is still in the Spotlight

You need to check your mail box for a surprise, that is if you take Corvette Fever. Corvette Fever came out this with one incredible five page spread on club member Bill Bruner and the Super ZO6 Corvette "Thumper". Bill having already one of the Super Corvettes ever built by G.M. couldn't leave the Quick Sliver alone. After talking to friends he did some dreaming about who to go to for some serious H. P. The King of H. P. for Corvettes is the one only John Lingenfelter "LPE", so Mr. Bill picked up the phone and called Jeff at LPE for a complete MAKE OVER FOR THE thumper. After Bill and Jeff put their heads together, the plans for the one of a kind Super Bad ZO6 427 Corvette that ever hit the streets of the Tri-State was on its way. If you happen to be one of the few to have driven this BAD BOY, well you know what it means to have the need for speed! What a Corvette by L.P.E. and what a story by Corvette Fever!!! Read it!!!!!!!!!!!!!!!

Winery Corvette run

Tim Seib put together a cool Corvette run for the Club to Oliver Winery on Oct. 16th. I would like to say, Tim this was one of the best Vette runs I've been on in a long time. Thanks for going to all the trouble, we truly did have a lot of fun.

Henderson, KY. Christmas Parade

Each year TSCC participates in the Henderson, KY Christmas Parade. George Coombs has asked us as a Club to participate again this year. After the Parade we will meet at the Ramada INN on HWY 41 on the strip. The club would love to see a large turnout for the Parade, try to make it!

TSCC Member of the Month;

Scott Kuebler of Jasper, IN has only been a member of our Corvette Club a short time. But I can't say when I've seen a more enthusiastic person when it comes to Corvettes. Scott has a beautiful 1995 Polo Green C/4 Coupe. As a small boy Scott said he was in love with Corvettes but his Dad said no to Scott, mostly because he was a Mopar Guy. As time went on Scott met a sweet girl by the name of Lisa who said after they had been married for twenty two years he could have his second love, a Corvette! It truly is a beautiful Corvette at that.

Scott and Lisa have two children, Emily 17 yrs and Benjamin 13 yrs.

Scott said he loves to be around Corvette people and hopes to help with the Club Corvette show next year.

Scott, TSCC is very happy to have you and your family with our Corvette family!
