**Hello TSCC,**

Can one believe this wonderful weather we are having? Felt I needed to check just to see if this is really November. My grass is still getting cut and the roses are still in bloom, what can one say. We could stand to have the winters like this all the time!

Once again I need to somehow find words to thank Denny Gries for his time and effort for the Nov. 7<sup>th</sup> hayride this year. What a great time our club members had at his wonderful location. Denny, thanks from all of us for this years hayride and your wonderful hospitality.

Speaking of good times, has anyone been looking for a location for TSCC to go on New Years Day Run???? The day will be on us before we know it. If you have some place you would like for the club to drive to this year bring it up at the next club meeting or let me know by phone or email.

Bob Bean
